WAYS FOR IMPROVEMENT OF APPLICATION OF PREVENTIVE MEASURES AT THE STAGE OF PRE-TRIAL INVESTIGATION

Paper formulates several suggestions about the amendments to the criminal procedure legislation of Ukraine regarding the application of preventive measures at the stage of pre-trial investigation, in particular : detention, deposit, the number of guarantors, the application of the probation system in the pre-trial investigation, and the use of a restraining order as a measure of restraint.

The practice of streamlining of the pre-trial detention, accumulated in the countries of Eastern and Central Europe that have recently joined the European Union, and the use of the restraining order as a measure of restraint on the examples of Slovenia and Finland is considered.

Keywords : *restraint, arrest, deposit, guarantees, probation system, pre-trial investigation.*
